

CIMTUBE® FC140FF

Formaldehyde releasing biocide free
semi synthetic fluid for tube forming,
welding and cut off

PRODUCT INFORMATION FLYER

Description

Cimtube FC140FF is a clear, formaldehyde releasing biocide free, water miscible, semi synthetic forming and cutting fluid concentrate.

Application

Cimtube FC140FF is recommended to be used for forming, welding and cutting applications in Tube & Pipe industry. It's a light to medium duty fluid with excellent corrosion protection properties that can be used in a wide water hardness range (8-20 °dH).

Features and benefits

- Formaldehyde releasing biocide free.
- Excellent settling properties.
- Excellent cooling properties.
- Provides excellent fluid stability and corrosion protection.
- High detergency.

Methods of application

Cimtube FC140 is easy to mix, normal stirring only. For automatic mixing, the use of the Cimcool® Mix Master or Cimcool Mix Master S is recommended. Typical starting water temperature conditions should be 5 - 25°C.

Recommended starting concentration

Tube forming and welding	5%
--------------------------	----

Mix Master S

Concentration** can easily be obtained by setting the regulator to the correct number.

** The concentration may vary depending on local conditions. It is therefore always advised to check using the refractometer or TA Kit.

Concentration analysis

For concentration analysis, use one of the below given methods or an appropriate laboratory procedure available from your local stockist.

Refractometer factor:	2.6
-----------------------	-----

If the refractometer is used, the resultant reading multiplied by a factor of 2.6 will only be relevant when applied to a fresh mix.

Cimcool TA kit	Use 2 ml. mix							*: next syringe		
%	1	2	3	4	5	6	7	8	9	10
Reading	0.86	0.73	0.61	0.48	0.35	0.23	0.10	*.98	*.85	*.72

Handling and storage

Protect from freezing, direct sun and store between 5 - 35°C.

Packaging type

200 and 1.000 litre and bulk.

Safety Data Sheet

The Safety Data Sheet should be consulted for specific information and information on Health, Safety and Environment when handling this product.
